

Senior Community Center Dept. of Aging Grant

Evaluation Questionnaire

This evaluation questionnaire will help determine if your senior community center is an ideal candidate for applying for the Dept. of Aging Senior Community Center Grant. There were 41 grants awarded in 24 counties in 2017, with an average award of \$48,780.

Activities: Check all activities that you have available. If you don't have all these activities, developing them can be included in a future grant application:

| <input type="checkbox"/> School District | <input type="checkbox"/> SCSEP |
| <input type="checkbox"/> YMCA | <input type="checkbox"/> Other _____ |

Lease/Own Requirements: If the center owns its property, there are no restrictions to applying for a grant. If the space is leased, then you can apply for \$5,000 worth of grant monies for each year left on the lease, up to ten years on a lease. After a ten-year lease, there are no restrictions for grant monies up to \$150,000.

- We own our property or have a lease that can be extended up to ten years?
- There are only ___ years left on our lease, and the landlord may approve a lease extension contingent upon the senior center winning a PDA grant.
