Stephen,

Hi. That is fine to use me or PASC as a reference.

Subject: Quick Question`

As you know, I'm trying to help senior centers in rural areas that have not normally applied for a PDA grant. My primary means of communication with them has been email. I received one email where I was copied (probably by mistake) that was addressed to someone else at an AAA that said, "Is this legit?" My fear is that the people I am trying to help are going to be too skeptical to accept it. So, since I think everyone statewide knows who you are or at least knows about PASC, I wanted to know if I could use you as a reference?

Kindest regards,

Stephen Forbus
